

NEW

OPUS COLLECTION

At Par Taps, every detail matters.

For over four decades, we've redefined tapware in Australia with artistry, innovation and precision. As the first to introduce coloured tapware, we changed how people experience their spaces.

Behind every product stands a dedicated team fully passionate about quality, service, and craftsmanship.

Par Taps transforms everyday moments into something truly extraordinary.

A QUIET
MASTERPIECE

Opus celebrates design, purpose, and craftsmanship. This new range brings timeless elegance into modern spaces, uniting every element of a home in perfect harmony.

From tapware and mixers to bathroom and accessories, each piece is meticulously crafted to embody balance and refined sophistication.

Defined as a masterpiece, Opus reflects exceptional quality, meticulous attention to detail, and the pinnacle of creative and technical achievement.

Available in our ever-growing collection of over 40 finishes, the Opus range allows you to personalise your space with timeless elegance and endless possibilities.
