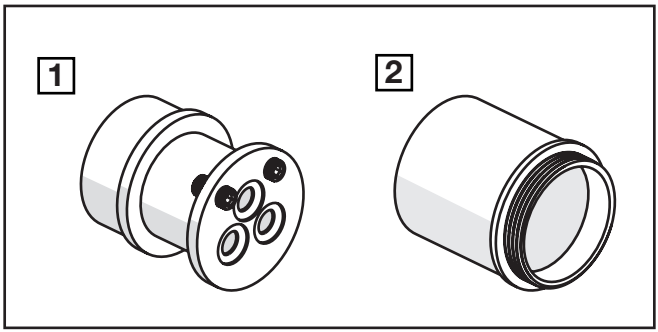
Parts

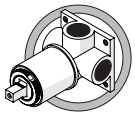


1 Body Extension
2 Mixer Sleeve

Product Depictions in this Guide

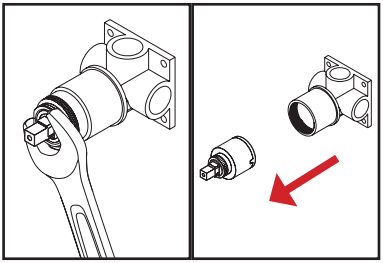
For illustrative purposes, Burj products have been featured in this guide. There will be variations in appearance between this guide and products ranges, but installation remains identical.

Installation

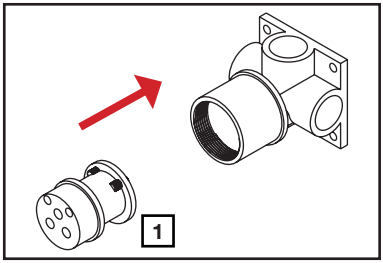


1. Remove the Handle from the wall mixer (using 2.5mm allen key) and remove the back plate. Then unscrew the Mixer dome to expose the mixer body.

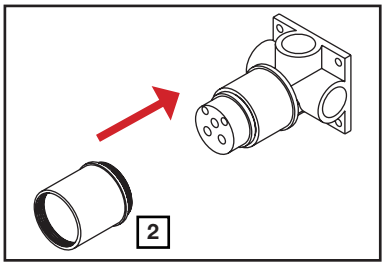
2. Using a spanner or socket, remove the Cartridge Locking Nut and remove the Mixer Cartridge.



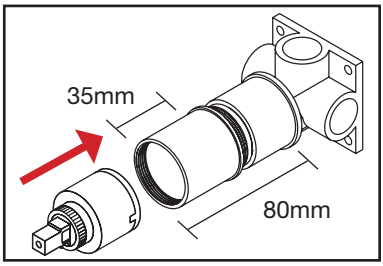
3. Insert the Brass Body Extension (1) into the Mixer Body. Ensure that the location pins are orientated correctly within the body.



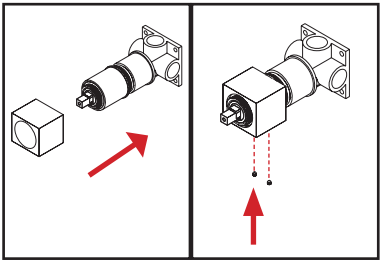
4. Screw the Extension Sleeve (2) onto the Brass Body Extension (1)



5. Re-Insert the Mixer Cartridge in correct orientation using the location pins. Pressure test to ensure water tightness.



6. Slide Mixer Body Sleeve over the Extension Sleeve (2). Tighten grub screws to secure.



7. Re-install Mixer Dome, Backplate and Handle to complete mixer. Ensure handle grub screws are tightened.
